G.O.Ms.No.2304 Education dated 29th September 1953.

ABSTRACT.

BASIC EDUCATION - Recommendations of the Ad Hoc Committee on Basic Education - Part II of the Report - Orders passed.

X-X-X-

(5) Post-Basic Education:- The Ad Hoc Committee has pointed out that there are only two Basic Schools in the State which are ready for the Post-Basic stage viz., Gandhiniketan Basic School at Kallupatti and Kasturba Gandhi Kanya Gurukulam at Vedaranyam. These two schools and the Senior Basic school Vinayashramam, Guntur District, may be permitted to develop Post-Basic schools. The Committee has recommended that certain definite facilities and aid should be given to these post-Basic Schools. The Government accept the recommendation. The Director is requested to submit to Government necessary proposals in the matter. The Director is also requested to ascertain and report whether the Basic School at Tiruvuru in Krishna District and at any other suitable place in Andhra Districts can be developed into Post-Basic Schools. The Ad Hoc Committee's recommendations with regard to the syllabus in the case of these post-basic schools is approved.

(6) Integrated course in Basic schools:- The Ad Hoc Committee has recommended that all Basic Schools must contain the integrated course of Junior and Senior stages and therefore it has pressed upon Government to lay down their policy in the matter clearly and emphatically. The Committee assumes that in furtherance of such a policy, the middle schools and the middle school sections in High Schools in the compact areas to begin with should be converted into Senior Basic Schools and Senior Basic Grades respectively. The Government accept the recommendation. The Director of Public Instruction is requested to take steps to implement the recommendation.
